

Micross Components will be exhibiting at the DMSMS 2011 Conference.

Westin Diplomat Resort
Hollywood, Florida
August 29 – September 1, 2011
Booth: 113

Stop by Booth 113 for a chance to win an iPad® 2.

The conference addresses diminishing material and obsolescence issues faced by military and space electronics manufacturers. This four-day conference features speakers from DoD and industry senior leadership, and is organized with general sessions, technical sessions, and tutorials.
